

EXCIRE SEARCH 2026

Short tutorial for new product activation*

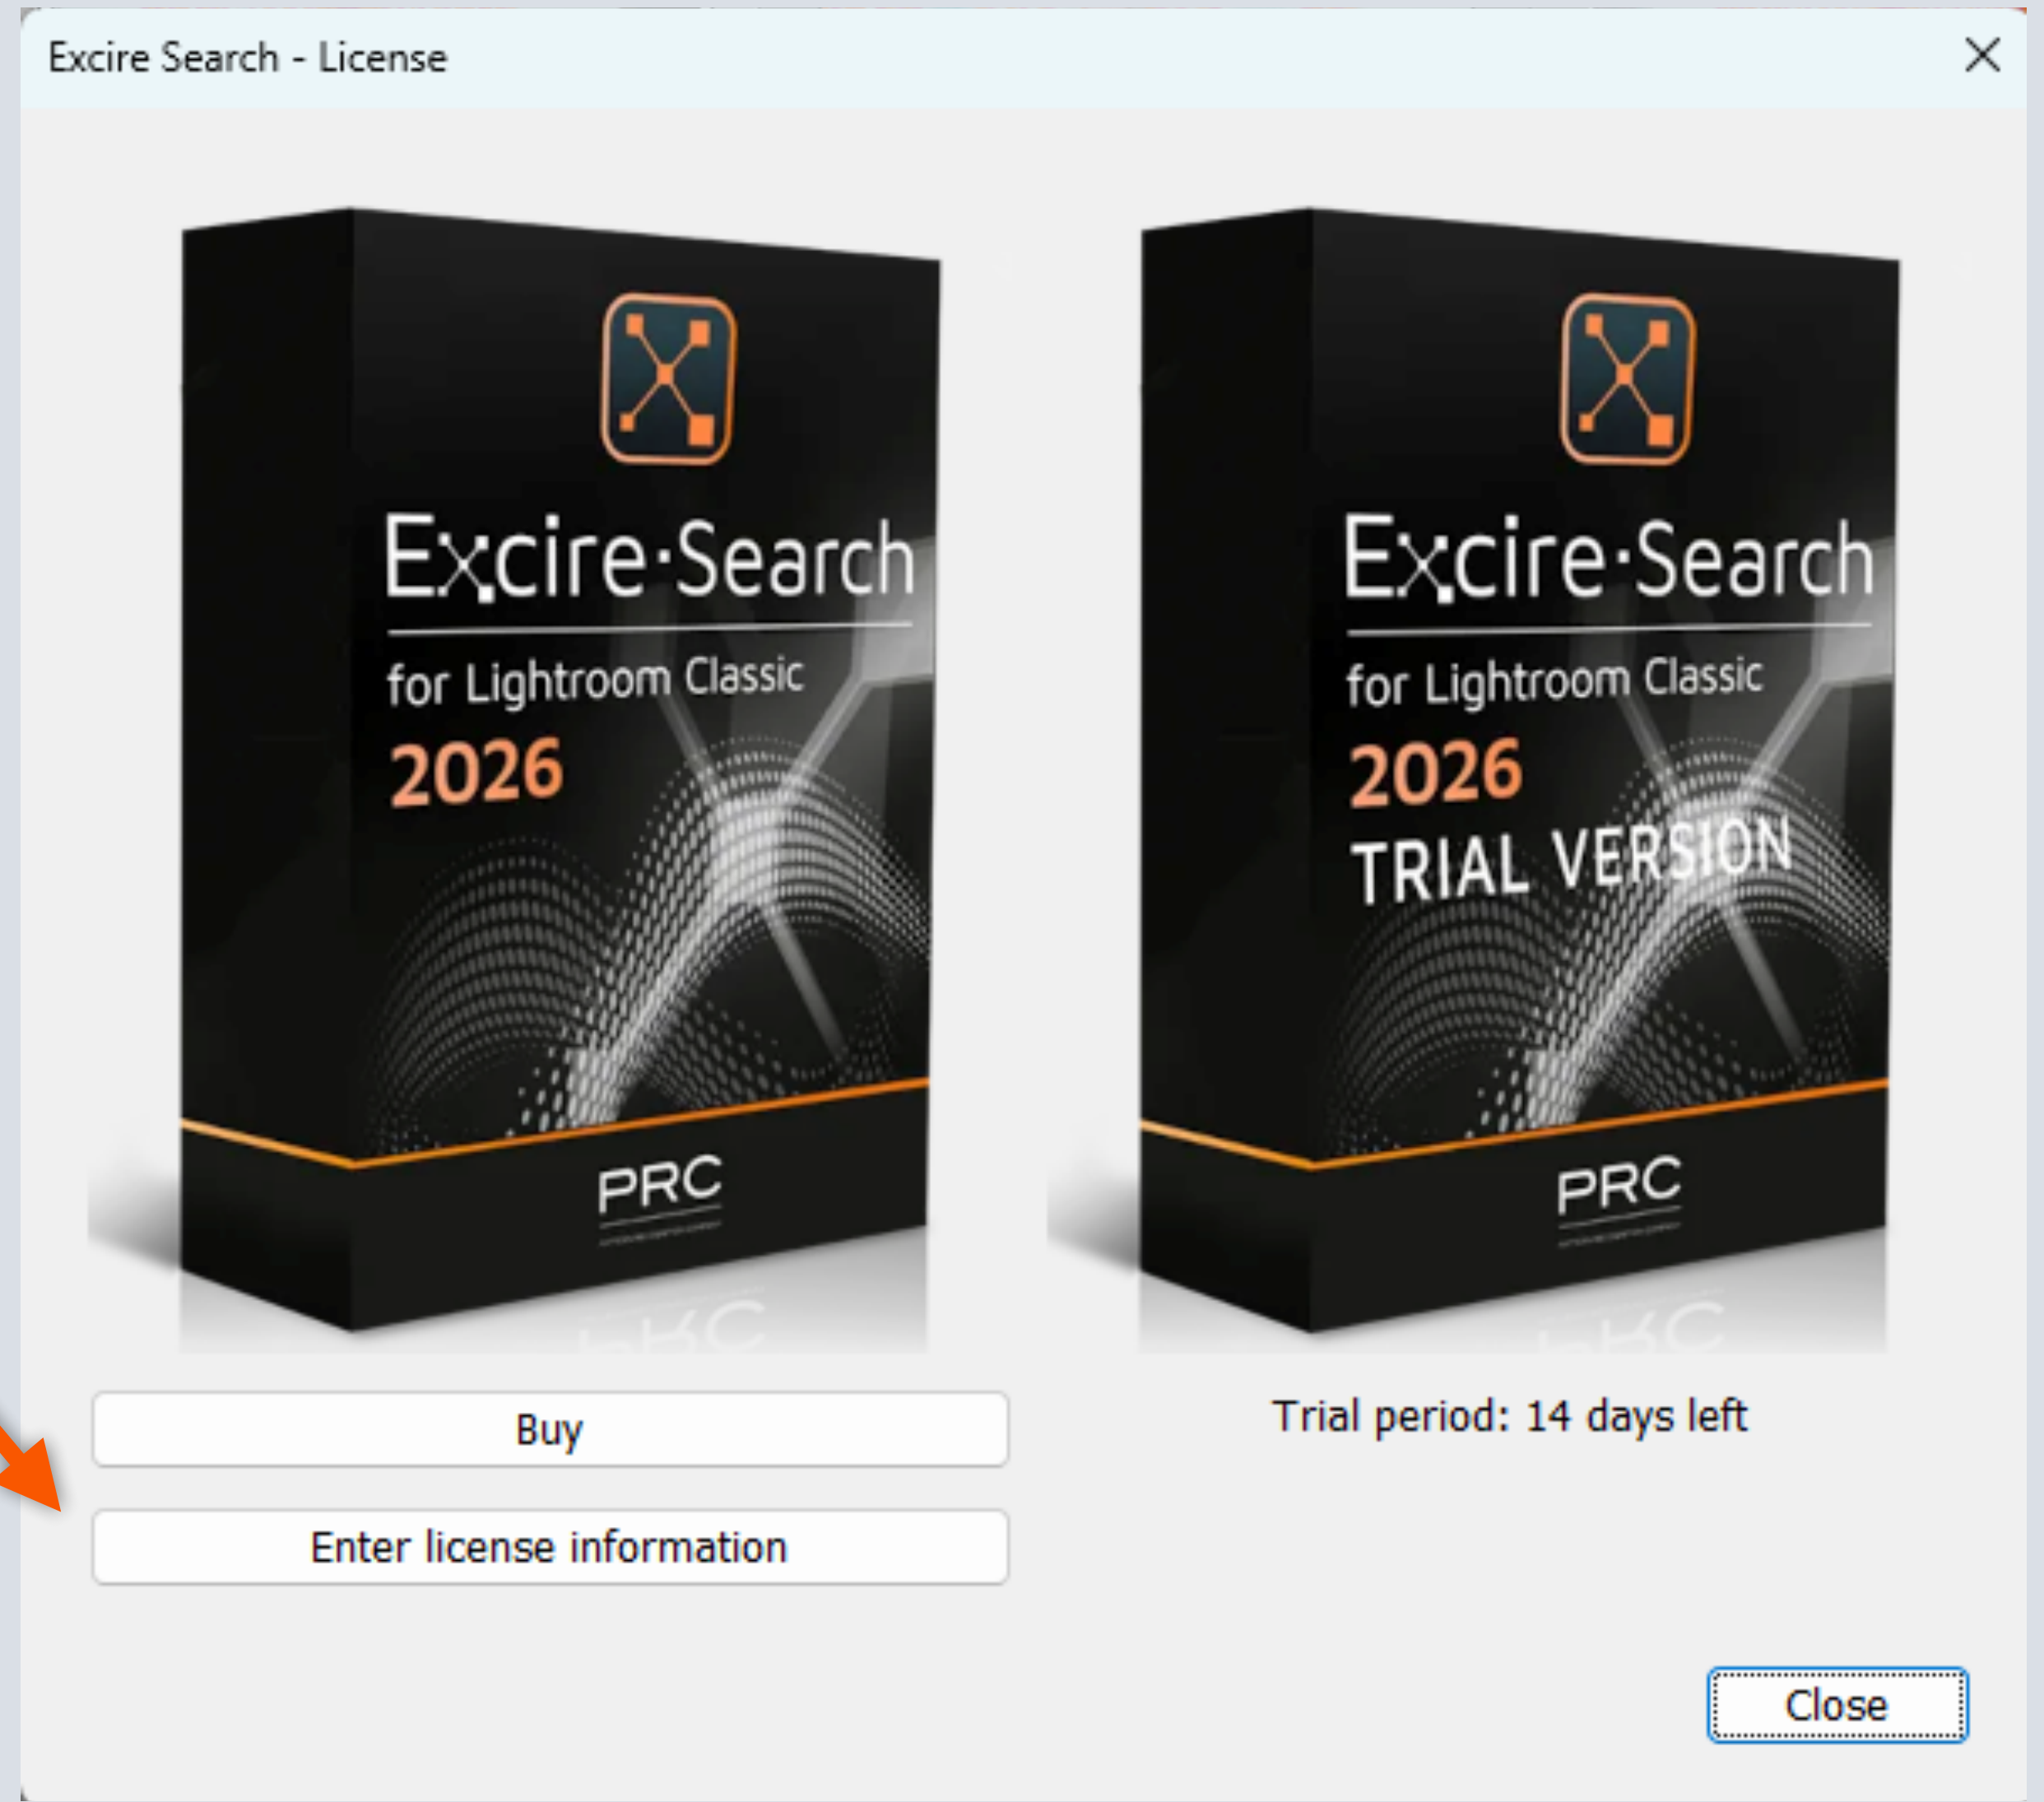

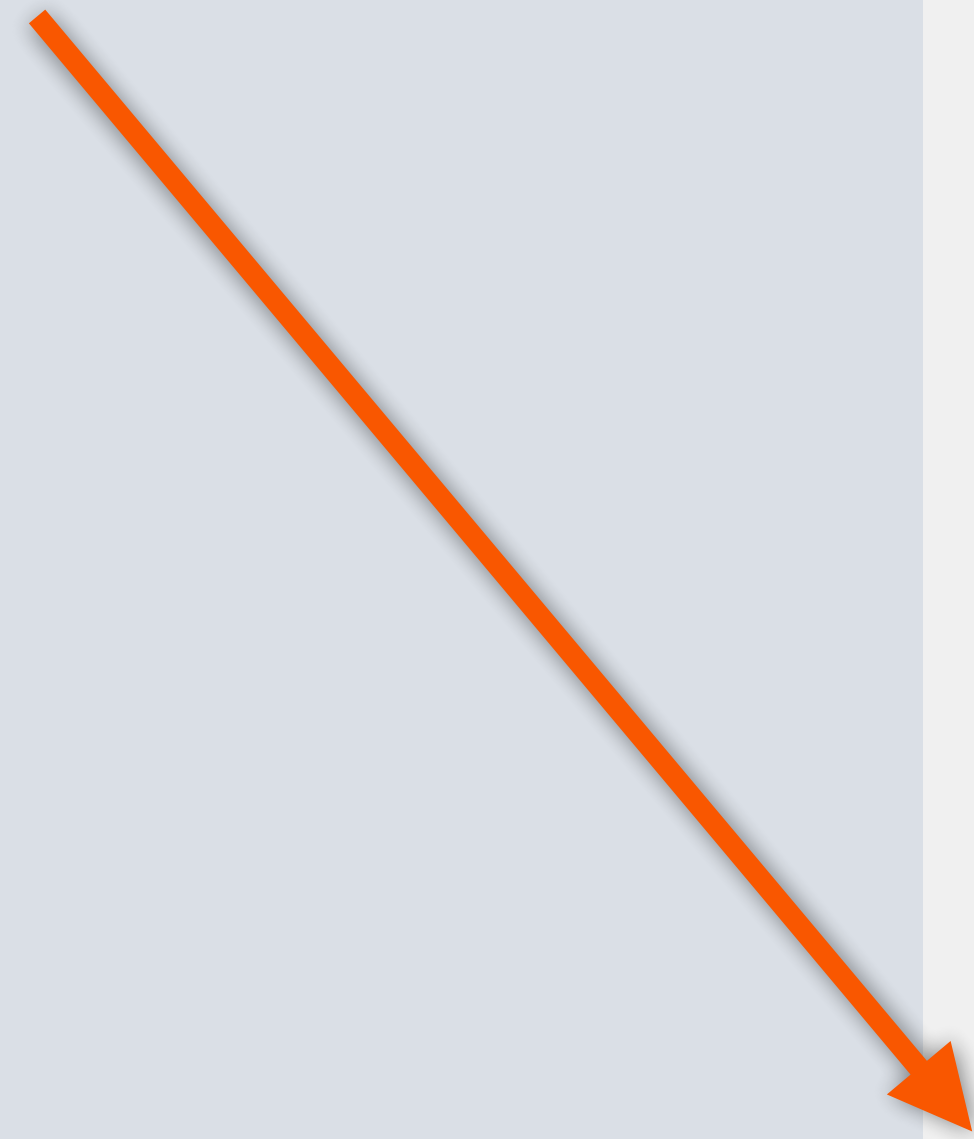

Pattern Recognition Company - www.excire.com

* For Excire Search 2024 the activation process is identical!

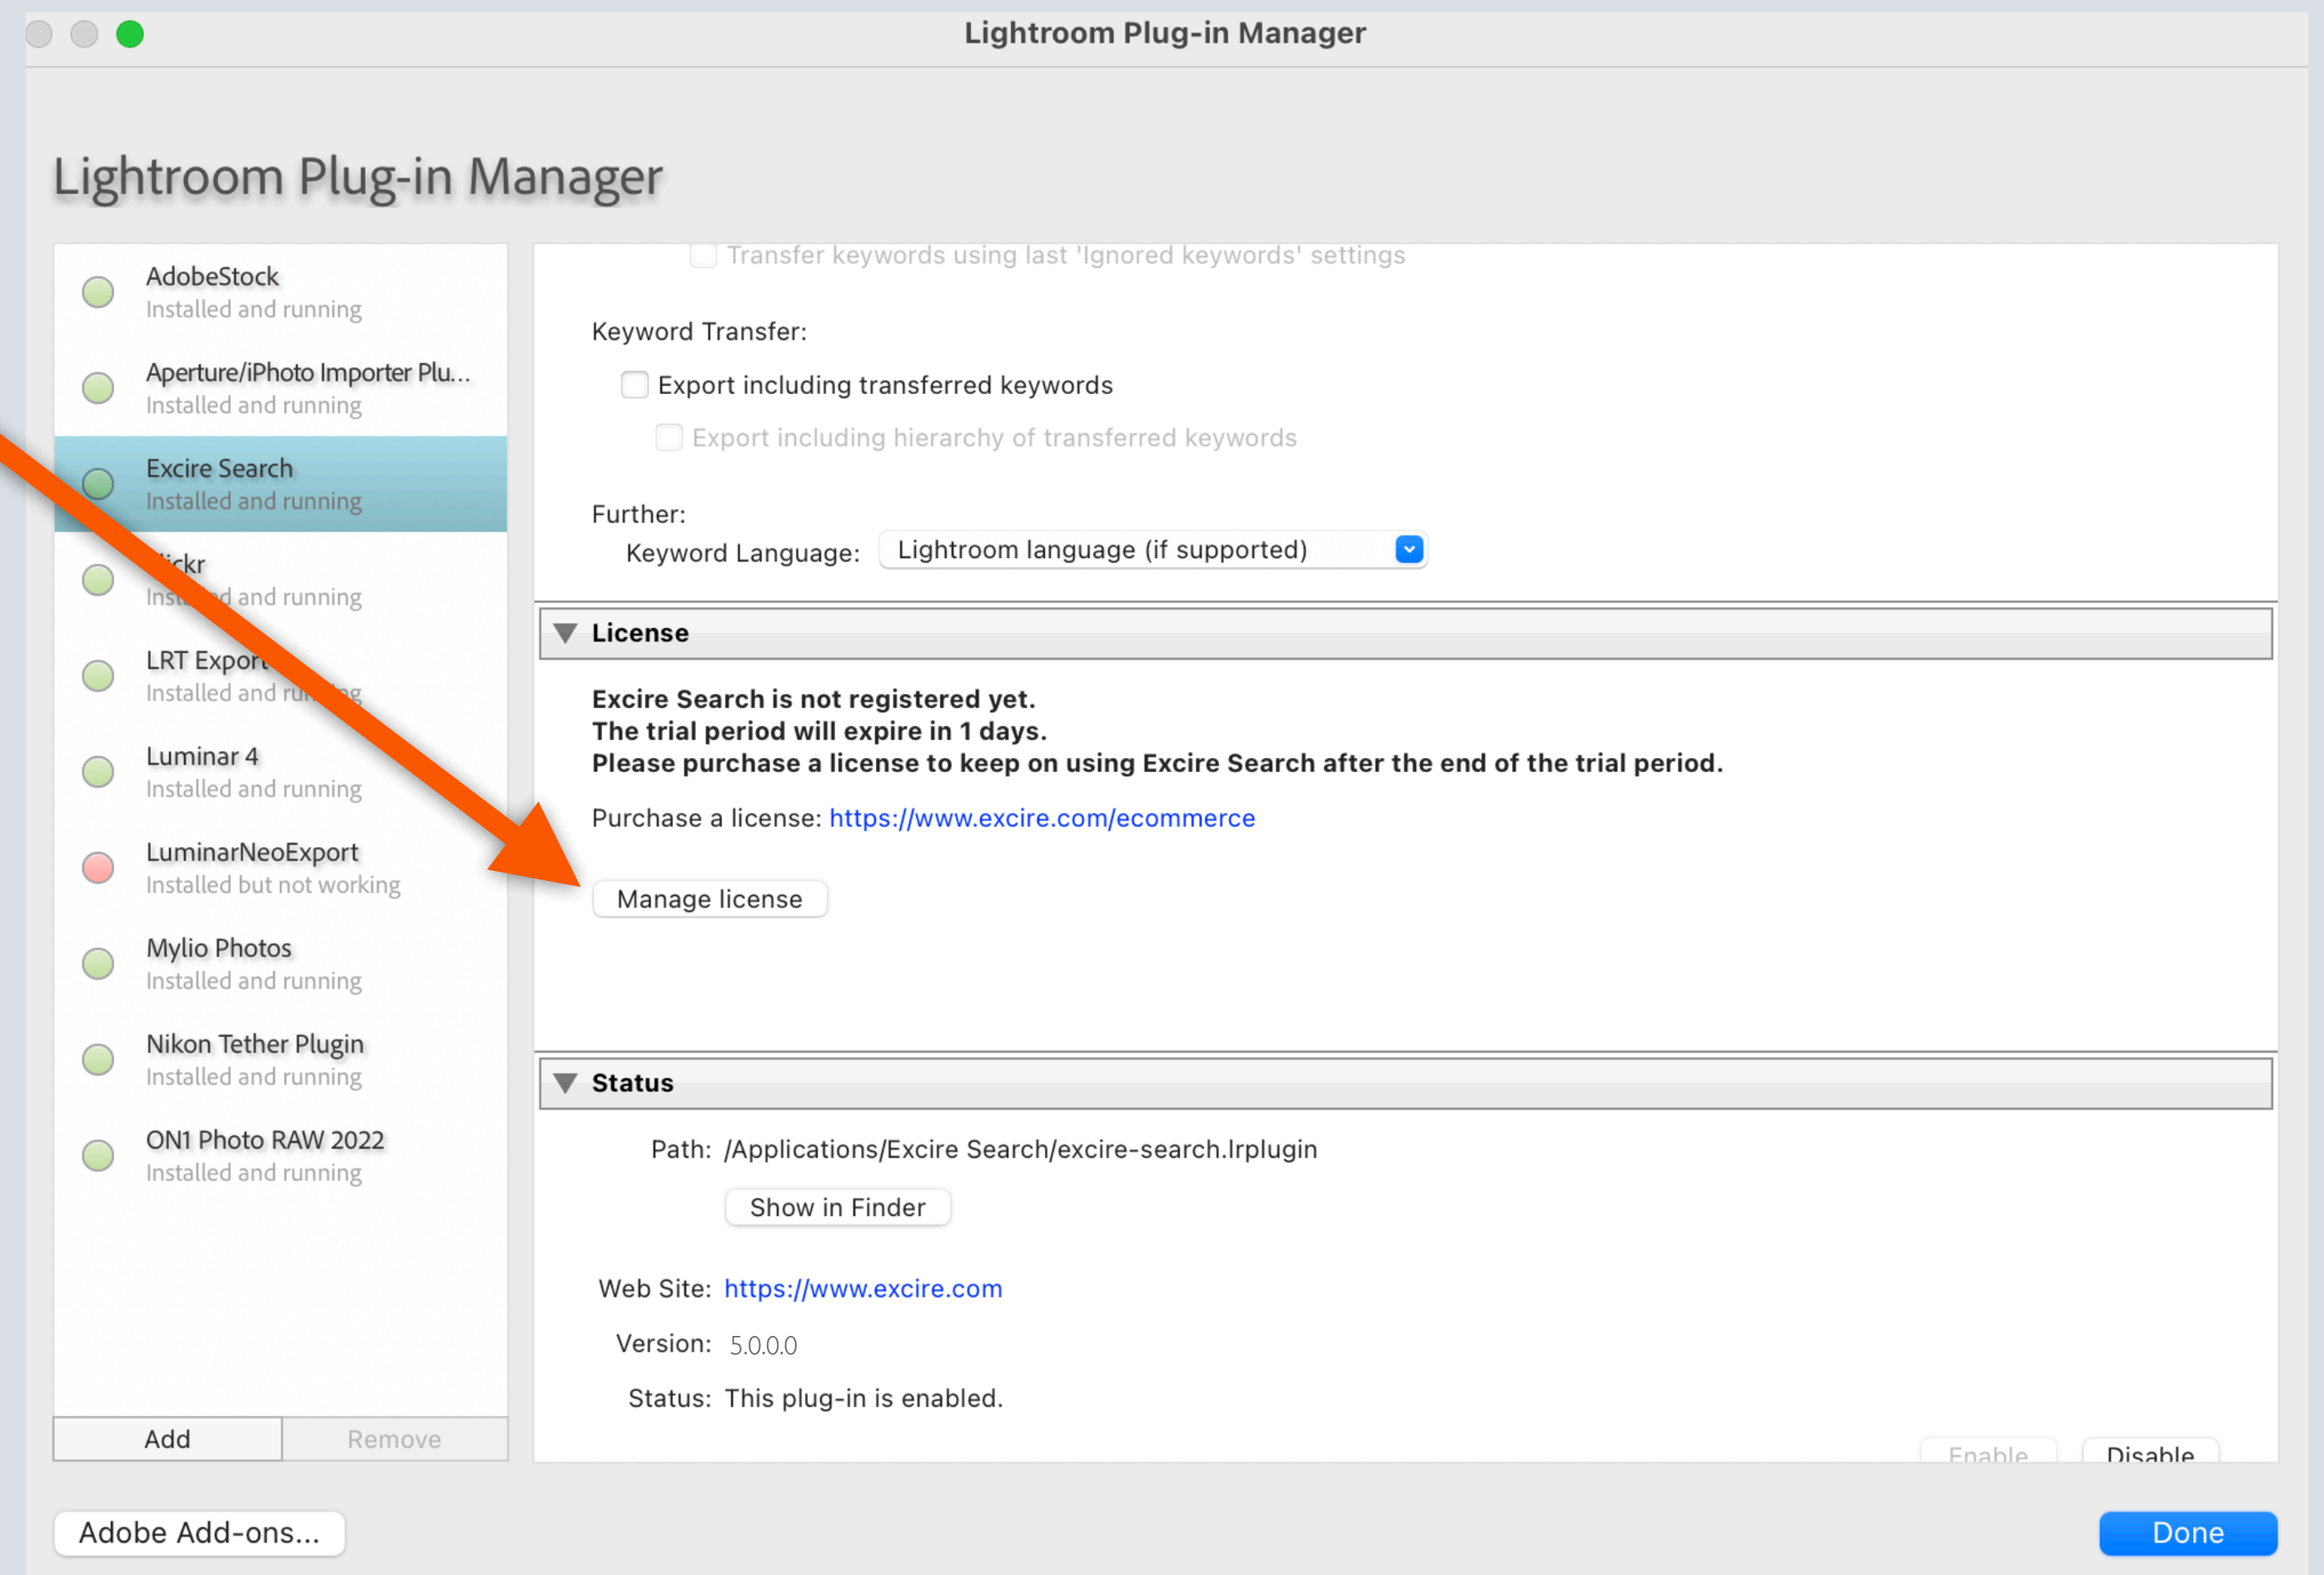

After installation and start of Lightroom Classic

This window appears after the start of Lightroom Classic. If the trial period has expired or you no longer want to trial, you can simply enter your license information to use Excire Search unlimitedly.

Lightroom Classic Plug-in Manager

The license dialog also appears when you press the corresponding "Manage license" button in the Excire Search section of the plug-in manager.

Log in with user account

Now log in with your user account or create one first. You will be redirected to a website in your browser.

Sign in at our user portal

You can now log in with your Excire account or alternatively with your Google or Facebook account.

If you don't have an Excire account yet, you can create one with just a few clicks.

The screenshot displays the Excire user portal's sign-in interface. At the top center is the Excire logo. Below it is a 'Sign in' form. The form contains an 'Email (user name)' input field with a red border and an error message 'Valid email address is required'. Underneath the input field are two buttons for 'Or sign in with' Google and Facebook. At the bottom of the sign-in section are 'Create account' and 'Next' buttons. A language selector at the bottom left shows 'English'.

Create an account

To create an account, simply fill out the form and then press the „Sign up“ button. You will now receive an email in which you must verify your account. The registration is then complete and you are automatically logged in.

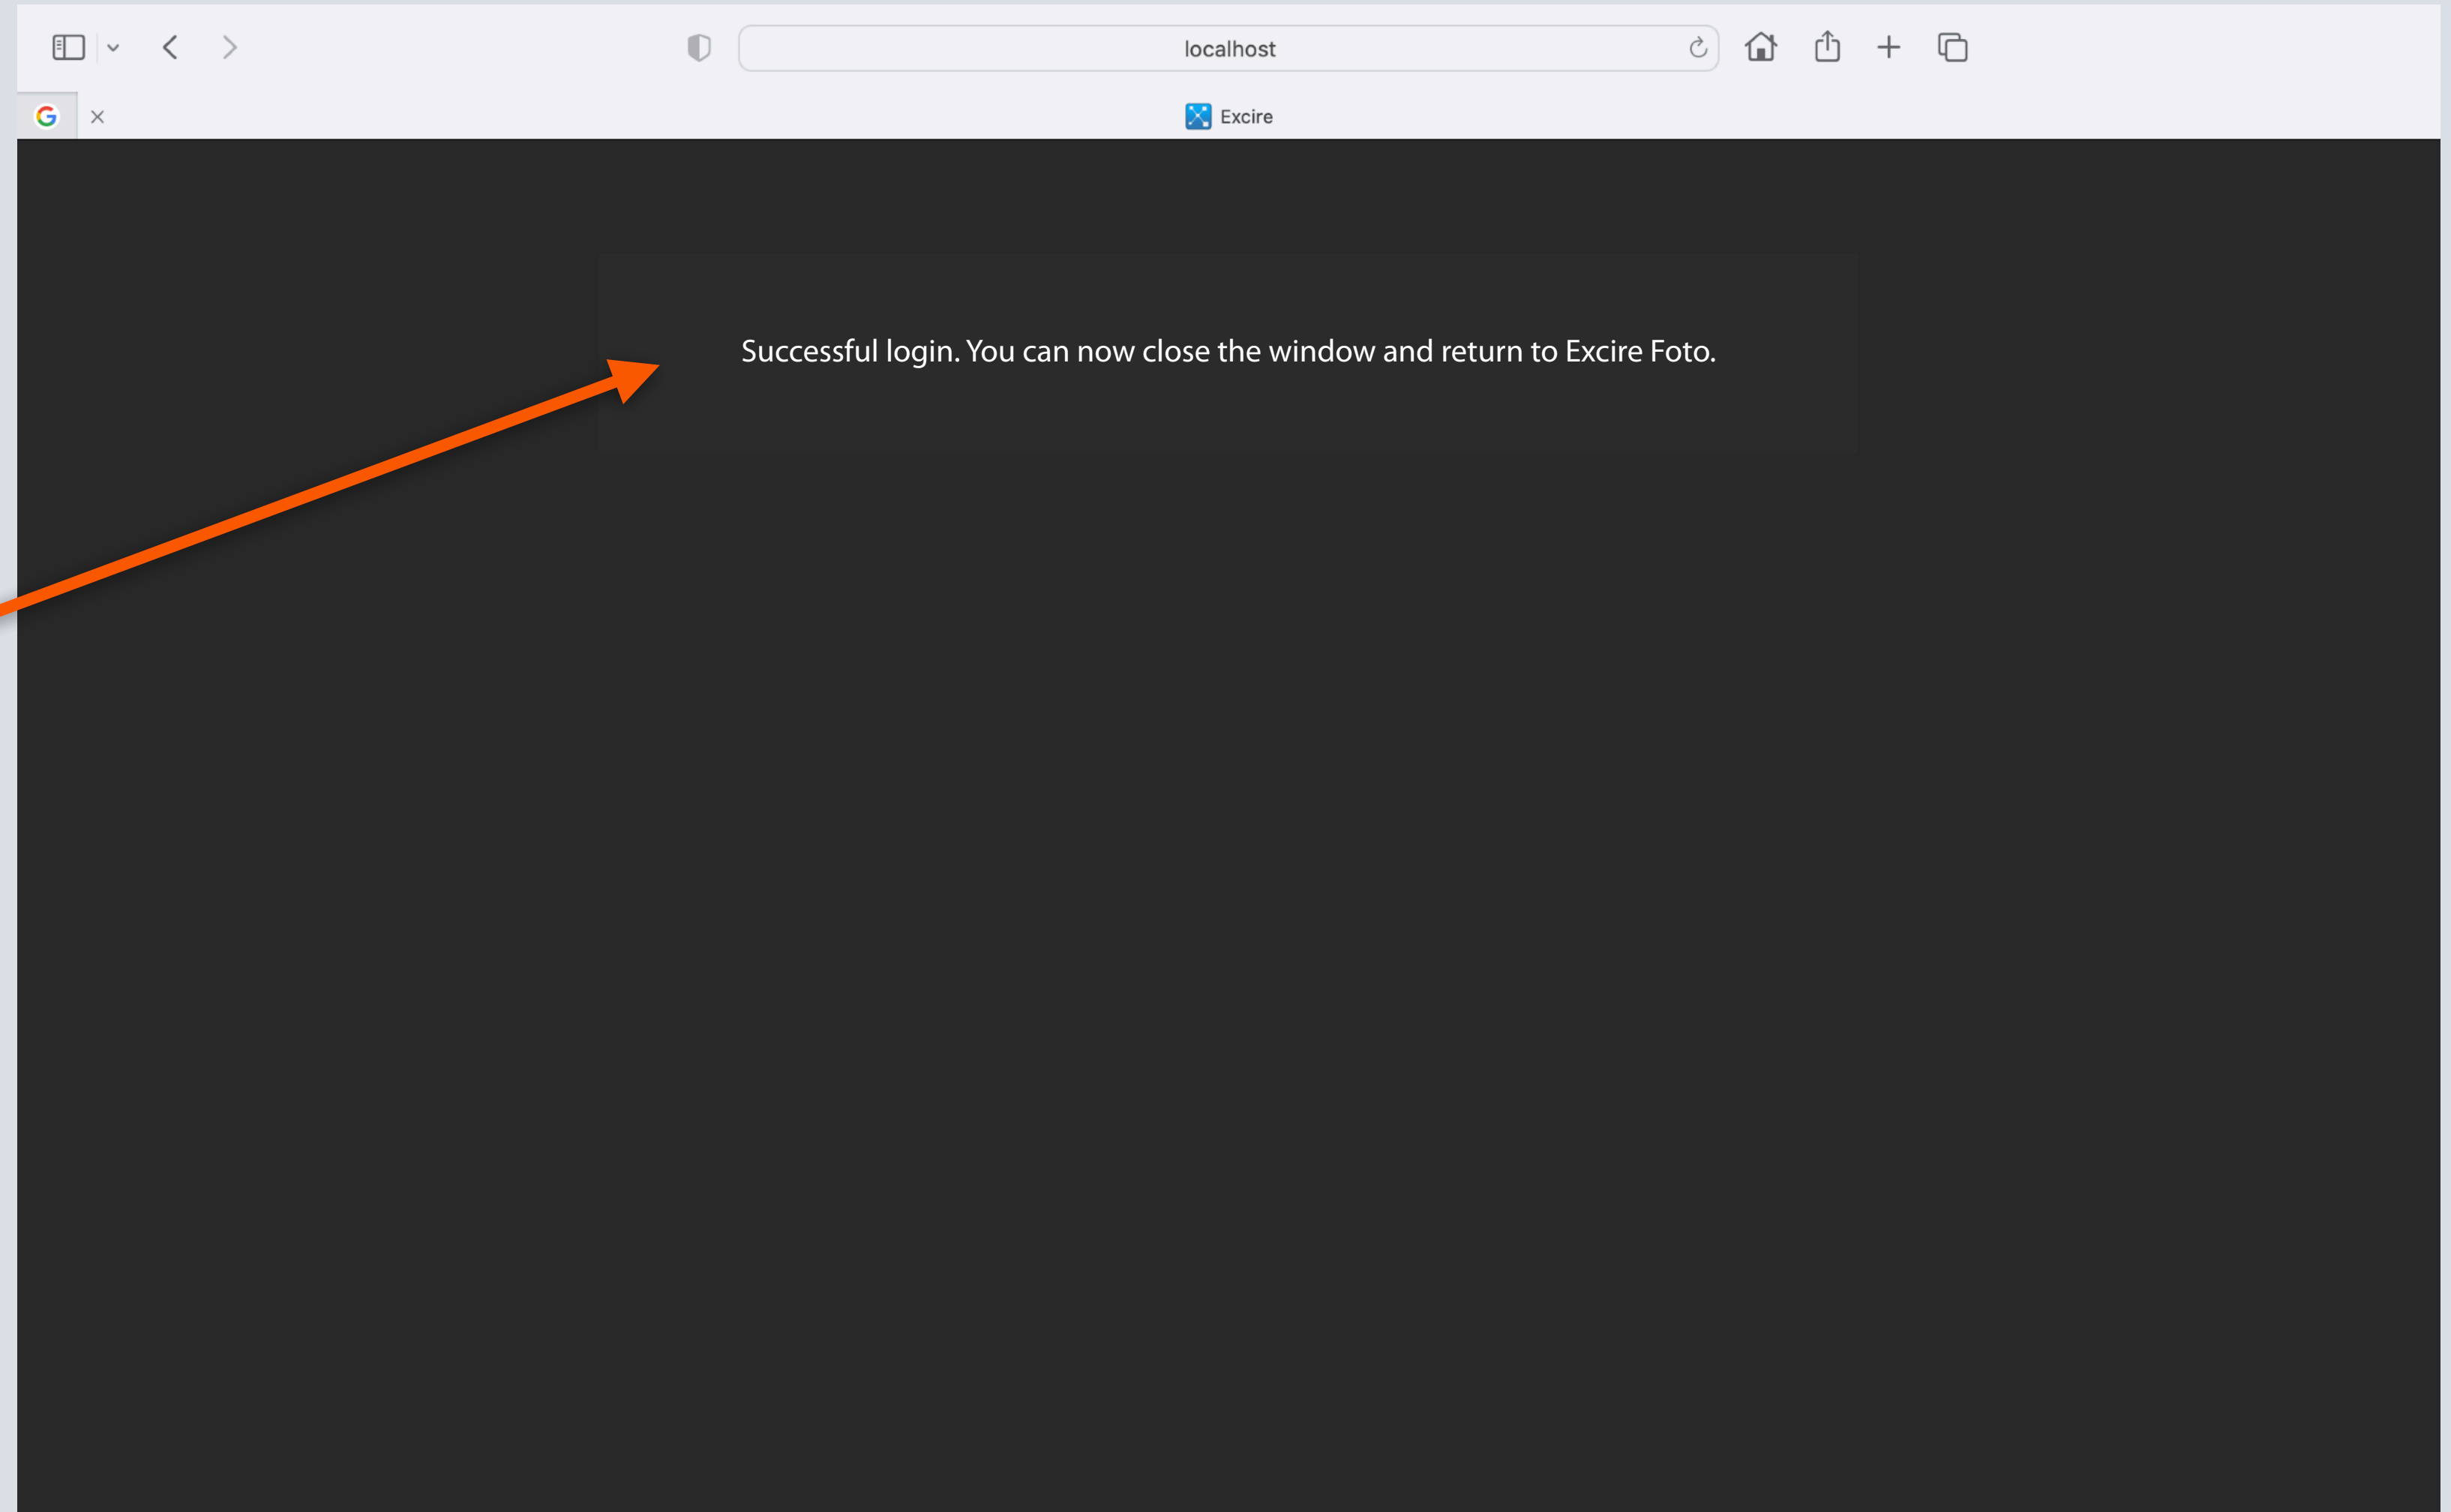

The screenshot shows the 'Excire' logo at the top. Below it is a 'Create Account' form with the following fields and elements:

- Create Account** (Title)
- [Already have an account? Sign in here](#) (Link)
- First name** (Text input field)
- Last name** (Text input field)
- Email (user name)** (Text input field)
- Password** (Text input field)
 - ⓘ A password must have at least 8 characters and at least one of each: lower case letter, upper case letter, digit, special character
- Confirm password** (Text input field)
- Country** (Dropdown menu)
- I've read and accept the terms and conditions and the privacy policy
- [Sign in](#) (Text link)
- [Sign up](#) (Teal button)

At the bottom left, there is a language selector: **A** English ▾

Successful login

After successful login, a corresponding message will appear in your browser and you can return to Excire Foto.

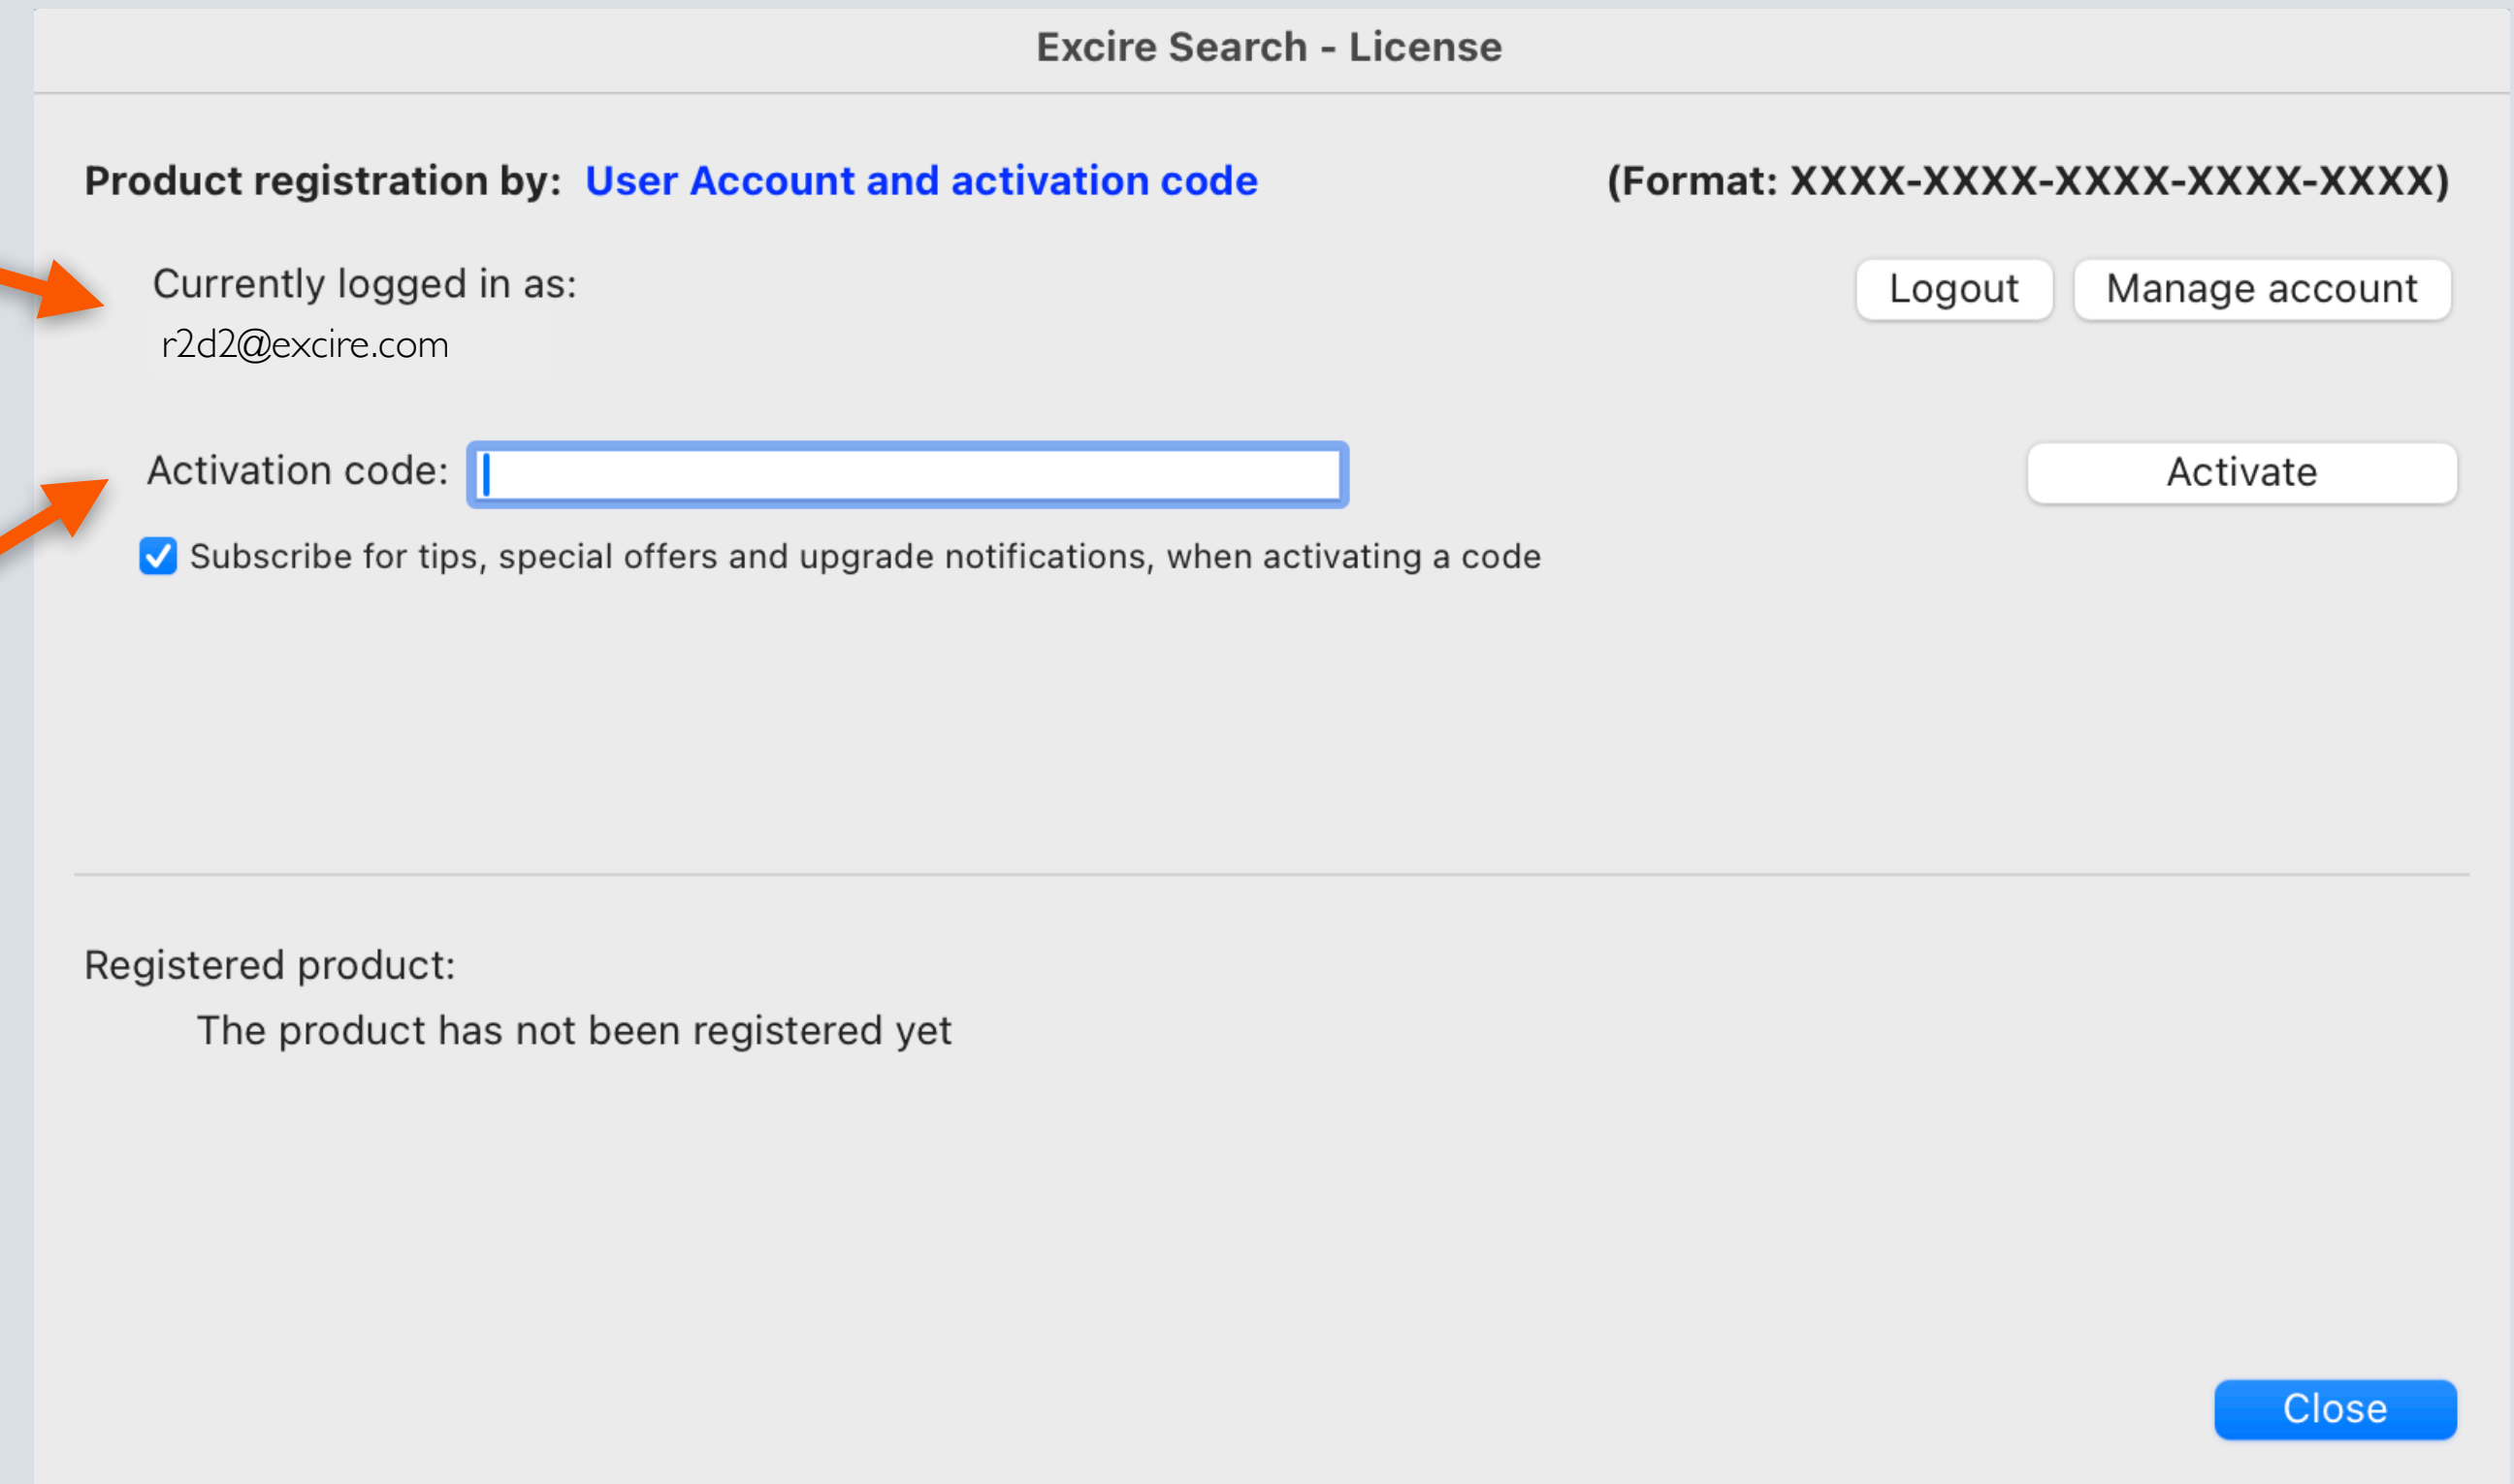

Enter activation code

You can now see in the Excire Search dialog, based on your email address, that you are successfully logged in.

Now all you have to do is enter your activation code and press the "Activate" button. Then you have successfully activated Excire Search.

Note: Activation is only necessary once, so you do not have to do it again when installing on a second computer.
